

Introduction to National Fire Incident Reporting System (NFIRS) Course

Hosted by: Las Animas Middle School
Sponsored by: Colorado Division of Fire Safety

This 2-day National Fire Academy course provides students the tools necessary to successfully implement the National Fire Incident Reporting System (NFIRS) in their respective jurisdictions and to achieve uniformity in their incident and activity reporting. Students will be provided detailed instruction on the NFIRS coding structure and rationale, comprehensive information on the NFIRS modules, and strategies to promote, implement, support and manage the NFIRS system. Participants will also be introduced to the Federal Client Tool (FCT) Reporting System and web-based reporting. Students will also be given a copy of the Reporting Tool Program to take back to their department to help start reporting.
